"All competitive classes are open to all dancers for the summer season and mandatory for potential competitors"

- Continuation Classes are strongly recommended for dancer's who strive to be more than recreational dancers.
- All Teen, present and potential, competitors must take at least 2 Classes a Week. It's mandatory for all potential competitors. Students who don't complete 80% of the summer program will **not** be considered for 2016-2017 Competition Teams.

"Every Child is A Star"

"Unlocking Dreams and Creating Legacies 1 Child at a time....."

The Regular Classes at HADM are taught with the same vigor and passion as the Competition classes.....I wouldn't have it any other way!
